Classes

| English Classes

English Classes will incorporate different language skills including reading, writing, grammar and communication in various lessons and in-class activities. The main focus is to improve all students' English ability no matter what the starting level is. Students will be motivated and inspired to realize the importance and fun of learning English.

| Skill Workshops

In the Skill Workshops, students will take part in a series of organized games and projects. The Skill Workshops will allow them to use what they have learned in their English classes in a fun and interactive way through games and instructional projects that will challenge their English comprehension and communication skills.

| Elective Classes

Students will have an opportunity to enjoy and learn different subjects in their evening elective classes. Students will be able to choose from many different classes including Computer Coding, Art, Architecture, Board Games, Theater, Movie Club, Music.

01 Computer Coding

02 Art

03 Architecture

04 Music

05 Board Games

06 Theater

Excursions

| Half Day Excursions

Outings and Activities are designed to help our students to be themselves, explore their passions, and learn something new, all while having fun! GC Camp immerse students in adventures and cultural activities within BC's beautiful natural landscape.

** All activities are planned under weather and circumstance permitted. Some excursions and activities may be replaced with other excursions due to unforeseen circumstances or situations.
